

# SFG23HDXL-13-4-126

---

G23HDXL PIM OPTIMIZED SPACING High Capacity Sector Frame . 2 7 /8in OD x 13ft face with (4) 2-7/8in OD x 126in Antenna pipes

## Product Classification

|                       |                                  |
|-----------------------|----------------------------------|
| <b>Product Type</b>   | High capacity Tower sector frame |
| <b>Product Brand</b>  | PIM-guard                        |
| <b>Product Series</b> | G2                               |

## General Specifications

|                          |                                                                                |
|--------------------------|--------------------------------------------------------------------------------|
| <b>Mounting</b>          | Angle 60°, 203.2 mm (8 in)   Straight or tapered legs up to 203.2 mm (8 in) OD |
| <b>Patent Number</b>     | For patents see: <a href="http://www.cs-pat.com">www.cs-pat.com</a>            |
| <b>Pipe, quantity</b>    | 4                                                                              |
| <b>Sectors, quantity</b> | 1                                                                              |
| <b>Tower Taper</b>       | Non-tapered   Tapered                                                          |

## Dimensions

|                                   |                      |
|-----------------------------------|----------------------|
| <b>Height</b>                     | 3,200.4 mm   126 in  |
| <b>Face Width</b>                 | 3.962 m   13 ft      |
| <b>Platform Width</b>             | 3,962.4 mm   156 in  |
| <b>Face Support Pipe Diameter</b> | 73.025 mm   2.875 in |
| <b>Mounting Diameter, maximum</b> | 203.2 mm   8 in      |
| <b>Mounting Diameter, minimum</b> | 38.1 mm   1.5 in     |
| <b>Pipe Outer Diameter</b>        | 73.025 mm   2.875 in |

## Material Specifications

|                      |                          |
|----------------------|--------------------------|
| <b>Material Type</b> | Hot dip galvanized steel |
|----------------------|--------------------------|

## Mechanical Specifications

|                                |                                                                     |
|--------------------------------|---------------------------------------------------------------------|
| <b>Wind Rating</b>             | For Specifications, please contact your local ANDREW representative |
| <b>Wind Rating Test Method</b> | TIA/EIA-222-G                                                       |
